<b>Properties:</b>	<p>AKEMI® Quartz Clean &amp; Care is a watery product which contains highly effective, modified organic compounds, combined with cleaning components which do not form layers. The product has been especially developed for quartz.</p> <p>The product is characterized by the following qualities:</p> <ul style="list-style-type: none"><li>- suitable for the removal of light dirtying and for the care of the surface</li><li>- enhances the resistance of quartz towards stubborn staining</li><li>- refreshes the surface gloss</li><li>- fresh odour</li><li>- non-yellowing</li><li>- tack-free hardening</li><li>- very low emission</li><li>- after hardening, the product is harmless to health upon contact with food products (certified by an external German testing institute)</li></ul>
<b>Application Area:</b>	<p>AKEMI® Quartz Clean &amp; Care is suited for the periodic cleaning of light dirtying and the care of kitchen countertops, counters and other surfaces of quartz (s.a. Caesarstone®, Cambria®, Silestone®, Zodiaq® etc.). Additionally, it excellently supports respectively supplements the resistance of quartz towards staining.</p>
<b>Instructions for Use:</b>	<ol style="list-style-type: none"><li>1. Shake well before use, then remove the cap of the spray nozzle.</li><li>2. Best working temperature: 15 - 25°C (59 - 77°F).</li><li>3. Spray an even coat on the surface to be treated.</li><li>4. Spread the product with a clean and lint-free cloth, and buff until the surface is evenly polished.</li></ol>
<b>Special Notes:</b>	<ul style="list-style-type: none"><li>- A surplus of AKEMI® Quartz Clean &amp; Care may cause blooming or spotting (can be removed with AKEMI® Quartz Intensive Cleaner).</li><li>- Stronger staining can be removed with AKEMI® Quartz Intensive Cleaner.</li><li>- Slight colour enhancement possible.</li><li>- For proper waste disposal, the container must be completely emptied.</li><li>- Recycling in accordance with the guidelines of EU Decision 97/129 EC on the Packaging Directive 94/62/EC.</li></ul>
<b>Technical Data:</b>	<p>Colour: transparent, yellowish Density: approx. 1 g/cm<sup>3</sup></p>
<b>Storage:</b>	<p>If stored in dry and cool condition (5-25°C/41-77°F) in its closed original container at least 24 months from production.</p>
<b>Health &amp; Safety:</b>	<p>Read Safety Data Sheet before handling or using this product.</p>
<b>Important Notice:</b>	<p>The above information is based on the latest stage of development and application technology. Due to a multiplicity of different influencing factors, this information – as well as other oral or written technical advises – must be considered as non-binding hints. The user is obliged in each particular case to conduct performance tests, including but not limited to trails of the product, in an inconspicuous area or fabrication of a sample piece.</p>
