## Certificate

**Human toxicological innocuousness of  
AKEMI® Stain Repellent W  
for the impregnation of natural and artificial stones with food contact**

The product of the manufacturer/supplier:

**AKEMI chemisch technische Spezialfabrik GmbH, Lechstr. 28 in D-90451 Nürnberg**

with the trade-name AKEMI® Stain Repellent W comprise a mixture which protects surfaces of natural and artificial stones in contact with food against stains, such that (indirect) human exposure may be possible.

For this product the document „*Humantoxikologische Bewertung von AKEMI® Anti-Fleck W zur Behandlung von Natur- und Kunststeinflächen mit Lebensmittelkontakt*“ (in English: “*Human toxicological evaluation of AKEMI® Stain Repellent W for treatment of natural and artificial stones in contact with food*”), dated 09/05/2023, has been prepared. Herein it was concluded, that the product AKEMI® Stain Repellent W is to be regarded as safe when taking into account its intended use for the treatment of the surfaces of natural and artificial stones; a risk for adverse effects to human health does not exist.

This product does fulfil the mandatory safety requirements of Directive 2001/95/EC on general product safety; particularly it is in legal compliance with the (German) Code for food, consumer goods and feed considering provisions of Regulation (EC) No 1935/2004 on materials and articles intended to come into contact with food.
